It took just over an hour of the new season for the injury hoodoo to strike at Burnden Park. And it not only cost us the game against Swindon Town but it put our most versatile player in hospital with three broken ribs and a punctured lung that required surgery to reflate it.

I'm convinced that with Derek Scott on the field Swindon would not have scored their winner. In fact, Bolton would almost certainly have gone on to take the three points after Warren Joyce had set

Phil Neal Notebook

up our equaliser with his first touch of the game. As it was, losing 'Scotty' a minute after drawing level, and with Asa Hartford feeling the calf injury which had kept him on the treatment table for the week prior to the game, the odds were stacked against us.

It really is time the authorities looked at the substitute rule again. To allow two subs in all competitions except the league is just plain daft.

I'm pleased to report that Derek is progressing well although he will be out of my team until late November at the very earliest. So we must soldier on without one of our most experienced players and we have the chance to judge just how strong our squad is, although I would rather have found out in happier circumstances.

Against Bury in the Littlewoods Cup 1st. Leg game I brought back Mark Winstanley in the middle of the back four while Warren Joyce started his first game of the season in place of Asa Hartford.

Again we had to finish a match with 10 men but for totally different reasons. George Oghani, having been booked in the first half, was sent off 15 minutes from the end making our task of getting on level terms that much harder.

Tonight's 2nd. Leg is finely balanced and the goal we brought away from Gigg Lane last Tuesday night could work in our favour. Should the aggregate scores be level at the end of ninety minutes then we will go into extra time. Still level at that stage then away goals will count double. If the teams still can't be separated we'll go into a penalty shoot out.

Needless to say we'll be going all out to make sure none of this is necessary by getting the goals that count.

BURY HOPE FOR GOOD CUP RUN

BY Tony Pullein

Bury have enjoyed very little success in the League Cup in recent years so they are hoping that, with a 2-1 lead from the first-leg at Gigg Lane last week they might do enough at Burnden Park to see them through to the second round of the newly-named Littlewoods Challenge Cup.

Over the last eight seasons, Bury have only once survived to the third round and in 1980 they went down 0-7 at home to Nottingham Forest. Three years ago they crashed 0-10 at West Ham in the second-leg of round two and that is their club record defeat.

So this competition does not hold many happy memories for them in modern times though they did survive to the semi-final stage back in 1963

The Shakers main objective this season, however, will be to re-establish themselves in the Third Division. They regained their place at that level in 1985 but life was a continual struggle last season and it was not until

they had drawn their final match, at home to Brentford, that they were assured another season. During the close-season manager Martin Dobson made several new signings, a mixture of youth and experience.

In midfield he secured the transfer of Wales International Brian Flynn. With twelve years of League experience behind him, and 66 games for his country, Brian's know-how should be invaluable to the Shakers.

The same can be said of striker Alan Taylor who has savoured the ultimate delight of Cup football in scoring the winning goal at Wembley in his West Ham days. He's still knocking them in and last season he topped Burnleys' scorers with 21 goals.

Nigel Greenwood, a forward who looked good even in Preston's struggling side last season, adds youth to the side and the other three new-comers are also setting out on their careers.

Forwards Liam Robinson and Jamie Hoyland came from Huddersfield and Manchester City respectively. Mid-fielder Peter Butler was also with Huddersfield last season.

Bury opened the season well by holding one of the fancied clubs, Bristol City, to a 2-2 draw at Ashton Gate twice coming from behind. They then achieved that 2-1 victory over the Wanderers last week in the first-leg of this Littlewoods Challenge Cup tie.

Back Row: (Left to Right) Jamie Hoyland, Peter Valentine, Phil Hughes, Andy Hill, John Kerr, (now Ostend)
Middle Row: Martin Dobson, (Manager) Trevor Ross, Terry Pashley, Kevin Young, Peter Butler.
Front Row: Andy Robinson, Alan Taylor, Joe Jakub, Brian Flynn, Carl Harris, Winston White.

THE BURY SQUAD

PHIL HUGHES (Goalkeeper) Phil had the exhilarating experience of being a member of N. Ireland's World Cup squad in Mexico. Though he did not play in the finals, and has yet to make his full international debut, Phil is expected to be one of the main challengers for the position held for so long by Pat Jennings in the Irish Team. Phil began as a Manchester United apprentice and was a member of their F.A. Youth Cup winning team in 1982. It was after joining Leeds that he made his League debut three seasons ago. Bury signed him in 1985.

ANDY ROBINS (Defender) Andy developed in the junior teams at Manchester United but did not come into contention for a first-team place at Old Trafford. He moved on to Bury last season when he made ten appearances in the Shakers' League eleven.

PETER VALENTINE (Defender) Peter needs no introduction at Burnden Park for he spent two seasons with us before moving to Bury during the 1985 close-season. He was ever-present last season. He began his career with Huddersfield making his League debut in 1981/82.

Andy Hill (Defender) Another former Manchester United player, Andy did not get into the senior side but he made quick progress after joining Bury in 1985. He earned himself a regular place in defence last season.

TERRY PASHLEY (Defender) Terry started with Burnley and made a couple of dozen first-team appearances for the Clarets before joining Blackpool in 1978. For five years he remained a fixture in the Tangerines' defence. He signed for Bury in 1983 and completed 100 League appearances for the club last season.

KEVIN YOUNG (Defender/Midfield) Kevin also set out with Burnley and he won a regular first-team place in 1979, going on to make more than 100 League appearances for the club. He spent most of the 1983/4 campaign on loan to Port Vale and also briefly served Torquay on a similar arrangement. Bury signed him in 1984 and he has remained a fixture in their team.

PETER BUTLER (Midfield) Peter's first goal in top-class football helped Bury to build their 2-1 lead over the Wanderers in last week's first-leg. He was signed from Huddersfield in the close-season. At Leeds Road he had been limited to only five League runs as a substitute but now he is hoping to establish himself at League level.

BRIAN FLYNN (Midfield) One of the most experienced players in the game, Brian joined Bury from Doncaster this summer. Burnley were still a very prominent First Division club when he made his League debut for them in 1974 and it was as a Burnley player that he won the first of his six Wales caps. Leeds signed him for £175,000 in 1977 and he

spent five years at Elland Road before returning to Burnley in a £60,000 deal. Cardiff signed him in 1984 and last season he moved on to Doncaster.

TREVOR ROSS (Midfield) Trevor had the misfortune to concede an own goal in last week's first-leg. He learned his game with Arsenal and made well over 50 appearances in their First Division side before joining Everton for £150,000 in 1978. After five years as a first-teamer at Goodison Park, Trevor joined AEK Athens but he returned to England to complete the 1983/4 season with Sheffield United. Bury signed him in the 1984 close-season.

JOE JAKUB (Midfield) Joe completed his apprenticeship with Burnley and made 42 League appearances for them. Since linking with Bury in 1980, he has played more than 250 games for the Shakers.

WINSTON WHITE (Midfield) Winston opened his League career with Leicester City in 1977 but it was after moving to Hereford in 1979 that he began to play regularly in the League. He signed for Bury in 1983 but, during his first season at Gigg Lane, he spent a short loan with Stockport.

NIGEL GREENWOOD (Forward) Nigel has made a splendid start with his new club, following his summer transfer from Preston. He scored in their opening League match at Bristol City and got another in the Littlewoods Cup against us. A former Preston apprentice, he made his League debut two seasons ago. In spite of Preston's struggle last season, Nigel still scored nine goals.

LIAM ROBINSON (Forward) Another summer signing, Liam came from Huddersfield Town. He has developed in the juniors at Leeds Road, made his League debut three seasons ago and played just over 20 times in their senior side.

ALAN TAYLOR (Forward) Alan made his Bury debut with a goal on the opening day of the season. A player of considerable experience, he first hit the headlines as a Rochdale player. West Ham signed him for £40,000 in 1975 and he created a sensation by scoring six F.A. Cup goals including both goals in the 2-0 win over Fulham at Wembley. Alan led the Hammers' scorers the following season and in 1979 joined Norwich in a £70,000 deal. Soon came the first of several spells with Vancouver Whitecaps and, between these he played for Cambridge, Hull City and Burnley. Last season he was the Clarets' top scorer with 21 goals.

JAMIE HOYLAND (Forward) Jamie was signed from Manchester City this summer. At Maine Road he got only one outing in the League team so he is hoping to get his break at Gigg Lane this season.

Club News

As part of the Wanderers plans to involve the community at Burnden Park, a group of senior citizens from Greenway Residential Home visited the ground recently.

After morning coffee in the Executive Club they were taken on a tour of the ground and facilities and met up with their hero of the fifties, Nat Lofthouse. Memories of players and matches at Burnden when many of the group were regular matchday supporters were high on the agenda.

PAST ENCOUNTERS

Our local neighbours Bury visit Burnden tonight for their first ever visit in the League Cup competition. It is in the other major cup competition, the F.A. cup, that the sides have been drawn together on no less than four occasions. Whilst our friends from Gigg Lane can boast to having had the better in League games between the clubs, the Wanderers have had much the better in F.A. cup exchanges. In February 1895 the Wanderers appeared in red shirts and Bury in orange and black shirts to fight out a second round F.A. cup tie. This was to be the last F.A. cup tie to be played at the old Pikes Lane ground and a crowd of 18,000 saw a goal from Joe Cassidy defeat Bury, who were leading the second division at the time, by nine points. The Wanderers went out of the competition at the next stage, losing 2-1 at Sunderland, despite taking the lead after only two minutes, Cassidy again on the mark. A month later the Wanderers again got the better of Bury, defeating them 3-2 in the final of the Manchester Cup at Hyde Road.

The following season the sides were drawn together once again in the F.A. cup, this time at the quarter final stage. Bolton had defeated Crewe and Blackpool away from home in the previous rounds and so Bury were the first cup visitors to Burnden Park. Second half goals from Jack Wright and Jimmy Gunn were enough to send the Wanderers into the semi finals where they went down after a replay to eventual winners Sheffield Wednesday.

The next cup encounter came in January 1922 at the first round stage. The Wanderers who were again at home won the tie thanks to a Ted Vizard goal six minutes from time before a 42,831 crowd. In January 1960 Bolton visited Bury for a third round F.A. cup tie. This game attracted a record crowd of 35,000 to Gigg Lane along with record receipts of £4785. A 1-1 draw resulted with the Wanderers winning the replay 4-2 after extra time on a snow covered pitch.

5 YEARS AGO

29th. August 1981. Wanderers opened their second division campaign with a visit to Chelsea. A two goal blast in the space of three minutes ended Bolton's hopes of a good start. Colin Lee opened the scoring in the 29th. minute and Mickey Droy headed Chelsea's second.

1st. September 1981. Oldham Athletic visited Burnden for the first leg of a League Cup first round tie. Brian Kidd returned to the side only a matter of hours after receiving clearance to play having just got back from Atlanta Chiefs where he scored 23 goals in 28 games. It took only 17 minutes for Kidd to open his account when he put the Wanderers in front. Oldham equalised through Paul Atkinson with the Wanderers winner coming from John Thomas.

10 YEARS AGO

28th. August 1976. Steve Taylor, after scoring his first goal for the Wanderers in the previous game, continued to find the net with two goals in a 3-1 win over Millwall at Burnden. His first came in the 8th. minute, his second and Bolton's third ten minutes from time.

1st September 1976. Two simple goals from Neil Whatmore were enough to defeat Bradford City 2-1 in a League Cup second round tie at Valley Parade. Bradford, then in the fourth division, having taken the lead after 22 minutes.

15 YEARS AGO

28th. August 1971. Bolton ended Notts County's run of 28 home League games without defeat by scoring a 2-1 win at Meadow Lane. Tony Hateley fired Notts in front after 39 minutes but two second half goals from Roger Hunt assured Bolton of their first ever third division victory and their first League win since January 16th.

4th. September 1971. The Wanderers remained as the only unbeaten third division side after defeating Aston Villa 2-0 at Burnden. Roger Hunt and John Byrom netted the goals either side of half time. The reserves were also unbeaten lying in second position in the Central League.

THE CHALLENGE.

Littlewoods have for many years been associated with the world of football, and we are proud to be entering our first season of football sponsorship.

The Football League's Premier Cup competition now becomes The Littlewoods Challenge Cup.

Through our stores, mail order and pools, we are dedicated to the idea of family enjoyment.

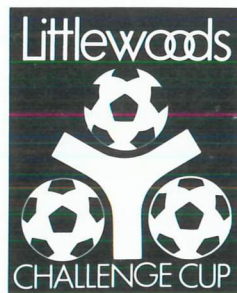

And this is where we see the latest challenge.

To play a part in making football a family occasion, at clubs throughout the country.

To play a part in making football grounds happier places to visit.

In short, to play a part in keeping this national game of ours where it belongs: at the top.

If our new involvement can go some way towards helping to realise these aims, then it will have been a challenge well worth accepting.

Postie's Page

This is the column reserved for your comments, suggestions or criticisms. If you have anything to say about any aspect of Bolton Wanderers or football in general write to Postie's Page, Bolton Wanderers F.C. Burnden Park, Bolton. This week's star letter came from an ex Wanderers hero, Dick Pym, the oldest living Wanderer and our goalkeeper in the 1923/26/29 Cup Finals. The letter was written by his daughter Joyce, from their home in Exeter.

Dear Postie,

My father was thrilled to receive the Wanderers diary from Audrey and Geoff Street in the Club Shop. It was made special for him when he found the photograph and message from Nat inside. It's shown to friends with much pride and he's asked me to thank you for your kindness. Dad's got such determination and has improved a lot and is looking well. He sends best wishes to the Wanderers for a successful season. Their results are priority to us!

Kindest regards,
Joyce Pym (for Dick).

Dear Sir,

I am writing to you to re-affirm our support for the initiative concerning schools, outlined at the meeting a couple of weeks ago.

Please keep us informed of developments and we look forward to meeting you again at the next meeting.

Yours sincerely,
Ian Smethhurst & Barry Sharples.

Postie's Note: A full Report about the school's initiative referred to, will appear in the matchday magazine in the next few weeks.

Junior Whites

Membership cards for the new season of Junior Whites meetings are now being despatched. With a new sponsor in HB Electronics, the Junior Whites will receive many more benefits in the coming months including reduced admission into the Lever Family Stand on League matchdays. Membership application forms are available now at Burnden Park for anyone wishing to become a member for the first time.

And at the first meeting on September 8th. in the Executive Club, members will be able to welcome their new President.

Jimmy Phillips has agreed to take on the position following the departure of past-President Sam Allardyce to Preston North End.

TODAYS MASCOT

Our mascot tonight is Mazhar Hussain who lives on Manchester Road, Bolton and attends Withins School. Aged 14 Mazhar gets tonight's mascot job as a reward for being first with his HB Junior Whites application for the new season. His favourite players are Phil Neal and Mark Came.

An unhappy Derek Scott holds his cracked ribs as he's stretched off Burnden Park, during the Swindon game.

Reserve Report

The Wanderers Reserve and Youth team sides have had a good pre-season build up with only two defeats in seven games. The opening game saw the reserves travel into Wales to face Mold Alexandra. Goals from Paul Allen, Paul Hughes, a Julian Darby penalty and a second half double from substitute Mark Raven gave the Wanderers a decisive victory. Julian Darby saw his second penalty of the evening saved by Wanderers keeper Ryan Price who turned out for the Welsh side in the second half, after Kevin Mailey had kept their goal in the first period.

A Young Wanderers side went down 4-1 at Blackpool Rangers on the 4th August, Paul Hughes netting from the penalty spot and the following evening Daisy Hill were beaten 3-1 at New Sirs. Sam Allardyce, in what was his final game before his transfer to Preston, headed home the first goal and Paul Hughes converted a penalty early in

JULIAN DARBY — scored from the penalty spot at Mold Alexandra.

PAUL HUGHES—Scorer in our first Central League game against Grimsby.

the second half to put Bolton in front. Jon Senior completed the scoring with a fine finish after a neat build up involving Paul Allen and Chris Banks.

Leyland Motors were well beaten 4-0 at Lancaster University with coach Steve Carroll lending some of his experience to the youngsters for part of the game. A stronger Bolton side faced Blackpool Rangers for the second time and came away with a 2-1 win thanks to goals from Jon Senior and Paul Hughes.

Last Saturday a 1-1 draw resulted with Preston North End on the new synthetic turf at Deepdale. Paul Allen was on the mark for the Wanderers, the home side's goal coming from their only shot of the game. Last Monday evening the Wanderers renewed an acquaintance that stretches back over 100 years, when they visited Bootle. The home side were good value for their 3-0 win but it could have been different if Paul Hughes hadn't missed a fifth minute penalty or if Paul Allen's volley hadn't struck a post with the keeper well beaten.

Last Wednesday the Wanderers Central League season got underway, when Grimsby Town visited Burnden.

A goal in each half by Grimsby centre-forward, Horwood put the young Wanderers up against it and it took a late penalty by Paul Hughes to beat Grimsby keeper David Felgate

NORMID PUT SHIRTS ON WANDERERS

Bolton Wanderers has announced an important new sponsorship as part of the multi-million pound re-development at the Embankment End of Burnden Park.

From this afternoon's game against Swindon Town, the team will carry the name 'NORMID SUPERSTORES' on its shirts to tie-in with United Co-operatives Limited's plans to build a Normid superstore at the town end of the ground.

Wanderers' chairman, Mr George Warburton, expressed delight with the new sponsorship: "Both the Co-op and Bolton Wanderers have long and proud traditions in the town and it is appropriate that we should join together at this important stage of our respective re-development" he said.

United Co-operatives are one of the world's largest retail societies with a territory stretching from Stoke on Trent to Lancaster.

Construction at Burnden Park is scheduled to begin in November with completion anticipated by spring 1988.

"The name Normid will mean nothing to Bolton people at the moment but, through our involvement with the Wanderers, it will soon become a familiar name," said United's public relations manager David Short. "We believe we have a lot in common since the Wanderers and the Co-op in Bolton have both gone through a difficult period in recent years. The time is right for both of us to re-emerge" he added.

"The public will soon start to see a dynamic Co-operative retailing enterprise re-establishing itself in Bolton and, under Phil Neal's guidance, we also believe the team is on course to regain some of its former glory" said Mr Short.
